

# The Solle Difference

## Product

Solle Naturals is built upon the fundamental belief that in order to optimize our health, we must properly nourish both our bodies and our minds. We do this by:

- Formulating our products using only premium plant based materials, which have been SolleCertain tested for purity and potency. Decades in the industry enable us to draw upon the finest and most reliable partners- from growers and suppliers to independent laboratories.
- Providing four signature drink formulas that are the first of their kind, mind and body formulas that are unrivaled in terms of taste and breadth of health benefits.
- Standing behind our products with a 100% money back guarantee. With time tested products, we are confident you will achieve the health benefits you would like, and we prove that by standing behind our products and formulas 100%.
- Introducing industry-advancing ingredients while avoiding all non-beneficial and health-damaging ingredients.

Certified

## Business

Like our integrated mind-body approach to nutrition, we believe in an integrated compensation structure—one that is able to take the unique preferences and characteristics of individuals and integrate these into a simple and powerful system. Whether you are sharing the products with family and friends, building a network of direct sales professionals or connecting with high volume, independent herb shops, Solle Naturals will be there to reward your efforts by:

- Paying weekly SolleQuick commissions on qualified enrollment orders. You earn 45% for signing up a Specialist and 30% for signing up a member.
- Paying monthly commissions through our SmartPlan compensation plan. Every month we calculate commissions that pay you our highest percentages on your highest volume levels, no matter where they may be in your organization.
- Paying High Dollar Overrides of 28 to 32% for businesses that personally purchase over \$1,000 a month in product. You now have a great incentive for chiropractors, massage therapists, health consultants, and herb shops to work with you.
- Paying a monthly Mentor Match which rewards you for bringing in and building leaders in your organization.
- Giving generous SolleRewards product credit of up to 25% on every qualified order.
